

ARIZONA CTED CONSORTIUM

Serving Arizona's Career and Technical Education Districts

AZ CAREER AND TECHNICAL EDUCATION DISTRICTS (CTED) AGENDA

54TH LEGISLATURE, 1ST REGULAR SESSION

After three straight years of success at the Legislature, Career and Technical Education Districts are seeking new ways to improve the outcomes for thousands of students. The following are requested changes to ensure CTEDs can continue working toward achieving Arizona's workforce and economic development goals:

1. **APPROVE 4th YEAR CTED FUNDING.** Funds the fourth year of instruction in agriscience. Automotive technologies, construction, engineering, or manufacturing—areas business groups say are most in demand for workers in this booming economy;
2. **CLARIFY LANGUAGE PERMITTING 0.50 FUNDING.** Ensures accurate reporting and accounting practices regarding CTED students in instructional programs involving multiple subjects; and
3. **CTED MAY OFFER & RECEIVE CREDIT FOR COURSES THROUGHOUT THE FISCAL YEAR.** Promotes Career and Technical Education opportunities and timely completion of programs and certifications.
