

COMMUNITY HEALTHCARE WORKER

A STEDY Certificate Program

PROGRAM DESCRIPTION

This program is designed to provide students with the necessary skills to become a community health care worker, also known as a Promotora/o. Students will learn to build individual and community relationships by increasing health knowledge and self sufficiency through outreach, education, informal counseling, social support and advocacy.

JOB OUTLOOK

Employment outlook for Community Health Care Workers are growing at a faster than average rate of 21 percent from 2014-2024. Growth will be driven by efforts to improve health out-comes and to reduce healthcare costs by teaching people about healthy habits and behaviors and utilization of available health care options.
